We Are Family

By Julia B. and Cody H.

Here at Vallonia we respect others like you want to be treated. You can be helpful and creative, learn good leadership skills and have a good time. Every year we do Employees of the Month and have lots of fun and good times. We get together as a family. Vallonia Industries is a lot of fun. We go on trips, we go in the community on CPS, like cleaning up trash around parks and we clean at the YMCA and the Library. In October we did our Talent Show. We are a family.

We want to celebrate, Tom Williams and let him know that we care for him a lot. We all appreciate him for everything he does for all of us. He is an aide on the van. He has been with Vallonia Industries for 10 years. He misses Mary C. a lot. Very much all of this includes Vallonia together as one big family. We all have lots of fun with Tom. We love him very much.

Halloween Mad Libs

Group 1: A Witch's Midnight Recipe

To brew a **perfect** Halloween potion, you will need: three **berry** bats, one cup of **Vampire** juice, and a magic pinch of **salt.** Stir **3** times while saying the magic word **MUBBY.** Add a dash of **sadness** and a sprinkle of **cinnamon.** The potion will turn **red** and smell like **candy apples.** Drink it only if you want to become **a Frankenstein** for **one night.** Side effects may include **sleeping** uncontrollably and speaking only **in Spanish.**

Group 3: The Haunted Mansion

Last Halloween, I walked into a haunted old mansion that smelled like **a door.** The door creaked like **an eagle** and I heard **Mark** screaming from upstairs. I grabbed my **goat** and slowly climbed the **crooked** staircase. Suddenly a **red** ghost flew out and yelled, **I'M BOWSER!** I ran so fast my **arm** fell off. The moral of the story: never enter a haunted house wearing **a shirt.**

Group 4: The Haunted Mansion

Last Halloween, I walked into a haunted old mansion that smelled like **dirt.** The door creaked like **a mouse** and I heard **a girl** screaming from upstairs. I grabbed my **blanket** and slowly climbed the **dumb** staircase. Suddenly a **Ghost** ghost flew out and yelled, **BOO!** I ran so fast my **pants & shoes** fell off. The moral of the story: never enter a haunted house wearing **a curtain.**

Vallonia Happenings

At the end of September a lot of us learned how to vote at the courthouse. We took one Vallonia van. It was a lot of fun. Mike (Digiacomo) and Chris (Seeley) are good people and it was a good time.

We went to Community Chevrolet/GMC in September. It was a good time. Thank you to them for letting us go.

Monday and Tuesday October 5th and 6th was the talent show. It was a nice and all of us had a good time. I'm happy that we all did a good job.

October 15th was our earthquake drill and we all practiced what to do. It was for the

The girl was in an accident and received a shirt from a guy that helped her. She went to live on her own to write a book. Weird stuff started happening and the husband made her get into a car crash. In the end, she faked it all. I recommend this movie to those that like a good story, but I don't recommend children watching it.
